VIDEOTECHNOLOGY

- 3x Panasonic PT VW435NE, 4300 ANSI, 1280 x 800 WXGA
- 3x Projection screens 3,00 m x 2,00 m
- 1x XORO HRT 7515 HD DVB-T Reciever
- 1x Golfsimulator
- 1x Welcome-Screen Samsung 55 inch
- 4x Windows (can be darkened)

ADVISE: We recommend to compile your presentation in a 16:9 format. It's the optimum format for the projectors. For the graphics on the Welcome-screen we recommend a solution with 2.134 x 1.200 pixel at 72dpi.

POWER STATIONS

- 24x earthed sockets scattered in the location
- 10x earthed sockets outdoor
- 1x Mennekes 5 x 16A high-voltage power station
- 1x Mennekes 5 x 32A high-voltage power station

FEATURES

In the Capitol Yard Golf Lounge is a central audio mixer that can be controlled via XLR-input. May you want to use your own / an external audio mixer, please connect via XLR-cable with the main audio mixer. The main audio mixer got a digital limiter, that limit the volume to 97 dB.

DO YOU NEED ADDITIONAL EQUIPMENT?

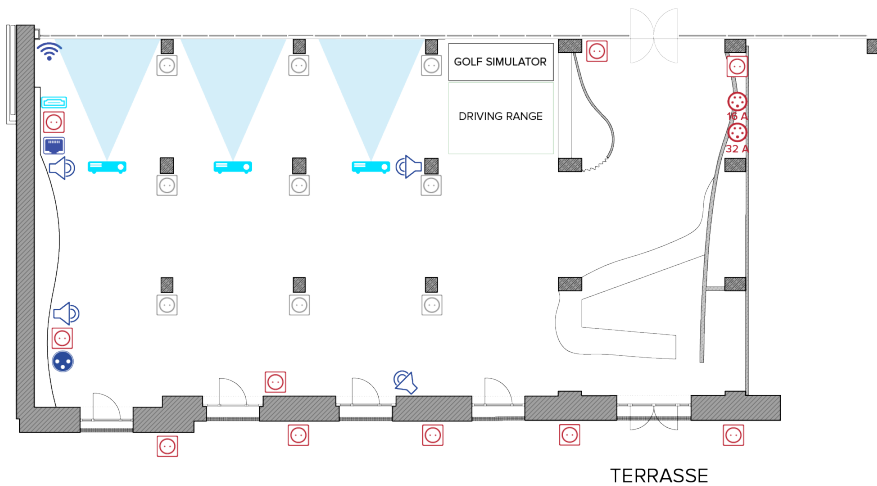

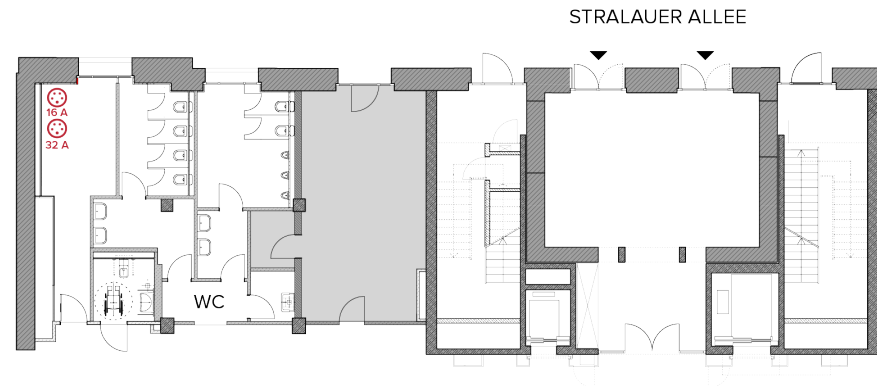

EQUIPMENTCATALOGUE
